CURTAINWALL AND ENTRANCE SYSTEMS

Date: **June 16, 2014**

Engineering Bulletin: **061403**

Effective Date:

Released By: **T. Trinh**

Subject: **S362 Replacement**

Description: Tubelite will discontinue the S362 400CW fastener to be replaced by S362A stainless steel equivalent for improved performance.

S362A is a 1/4-20 x 3/4" Hex Head with Washer 18-8 stainless steel.

All S362 screws in stock will be immediately replaced by the new S362A.
