LEADERS IN ECO-EFFICIENT STOREFRONT,  
CURTAINWALL AND ENTRANCE SYSTEMS

Date: **3/04/16**

Engineering Bulletin: 031602

Effective Date: 03/04/16

Released By: **Greg Hall**

Subject: **400CW installation instructions update**

**400CW Installation Instructions have been revised on p.40 to reflect the mullion end cap as 'optional'. This system was successfully tested without mullion end caps, but the client can opt to install them to aid in backing up the perimeter seal as necessary.**

**Revision date on the instructions is February 2016.**
