

# TUBELITE®

**DEPENDABLE**

LEADERS IN ECO-EFFICIENT STOREFRONT,  
CURTAINWALL & ENTRANCE SYSTEMS

## Thank You for Selecting Tubelite®

As Your Storefront, Curtainwall and Entrance Supplier

Tubelite remains focused on providing you with the best overall support needed for your success. To simplify the transition we are supplying you with an entirely up-to-date price book insert. The effective date is May 3, 2010.

### The following changes will be found within this updated price book:

1. Addition of new section for **Daylighting Controls**
2. Addition of new product offerings
  - **300ES** Thermal curtainwall
  - **aLuminate Light Shelves**
3. Greatly expanded **Custom Door and Frame section**
4. Transition of 50% Kynar paint offering to **ALL 70%** without added cost to you
5. Price adjustments – both decreases and increases as needed
6. Clarifications in the General Information section

### We are proud to begin 100% of our extruded products with Ecoluminum!

Ecoluminum is an industry-leading recycled aluminum with eco-friendly finishes.

*More recycled content, eco-efficient finishes*

As always, we appreciate your business and thank you for your continued support.

Yours truly,

A handwritten signature in black ink that reads "Mary Olivier". The signature is fluid and cursive, with a large loop at the end.

Mary Olivier  
Marketing Manager

## SUSTAINABILITY AT TUBELITE

Tubelite is committed toward integrating both economic and environmental aspects into our business strategies.

We are proud to provide products and services that represent exceptional energy efficient solutions now without compromising the environmental impact on future generations.

Tubelite selectively partners with vendors that share this same passion and collaboratively seek ways toward improving our overall carbon footprint.

Our dedication to sustainability is not only apparent within our strategic planning processes but in the values we live each day. We support individual employee and team efforts related to the environment and community relations.

Tubelite actively participates in environmentally focused associations such as USGBC and Daylighting Collaborative.

We continually search for opportunities that maximize LEED credits for our clients.

**OUR GREEN MISSION:** To become the leader in providing our clients with the optimal overall package. Superior energy efficient and labor-saving products; environmentally mindful material and finishes; premier service and competitive pricing.
