Dear Bill:

Please see the following information below you have requested regarding ABH Continuous Aluminum Geared Hinges you have requested:

- All **ABH** Continuous Aluminum Geared Hinges have been tested, independently in house at our facility, to meet/and or exceed ANSI/BHMA 156.26 Grade 1 standards.

Please feel free to contact **ABH** Manufacturing at any time with any additional questions or concerns.

Sincerely,

Brandon Kozerka

Office Manager
