Effective Date: **June 9, 2014**

Released By: **T. Trinh**

Subject: **P1784 Surface Overhead Door Closer Replacement**

Description: Tubelite will launch the new P1783 Surface Overhead Door Closer by Hager on June 9<sup>th</sup>, 2014. This will replace the current P1784 Surface Overhead Door Closer by International.

Please see below for the P1783, information:

#### **Grade 1 Heavy Duty Surface Door Closer**

**Ideal for schools, hospitals, and other high-use environments**

**Size 1-6 adjustable**

- Lifetime warranty
- Non-handed
- Heavy duty aluminum alloy
- Tri-pack (regular, top jamb, and parallel arm mount) standard

#### **Certifications**

- BHMA Certified ANSI A156.4
- ADA Compliant ANSI A117.1 Accessibility Code
- UL/cUL Listed for up to 3 hours
- UL10C/UBC 7-2 (1997) Positive Pressure Rated
- UL10B Neutral Pressure Rated

It will be available in C2 & DB finishes. List price for closer will remain the same at \$103.00.

Drop plates will also be available (list Price \$17.00):

P1783A: 5915 Drop PLT OH HLDR/Narrow Rail

P1783B: 5916 Drop PLT Narrow Rail/PA Cover

P1783C: 5917 Drop PLT Low CLR/OH HLDR

Requires different mounting hole locations than the International closer. However, when used to replace the International closer, the Hager closer dimensions will cover previous mounting holes of the P1784 closer.
