Subject: **NEW Standard Versatherm Gasket P2183**

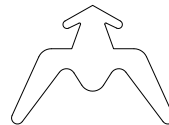

Description: In Tubelite's efforts to improve our products we are introducing a new standard gasket for the Versatherm system. This new gasket has been field tested and will improve the installation of the glass stops. The new number will be P2183-OR and will replace the current P1683-OR. The roll quantity will remain at 250 ft. and the list price will remain at \$94.00 per roll.

Beginning on 9/14/2009 any orders sent in for P1683 will be changed to P2183.
