Date: **12/13/18**

Engineering Bulletin: **12.18.01**

Effective Date: 12/17/18

Released By: **Mary Avery**

Subject: **TerraPorte Dr and Phantom 5000 finishes and quantities**

Effective Monday 12/17/18, the TerraPorte Door or Phantom 5000 window will only be available on orders with combined quantities of 10 or more with the same finish.

We will continue to review our fulfillment process and send notification when the smaller quantities are once again available.

Projects quoted by Tubelite prior to 12/17/18 will be honored. The EZ-Estimate and the client portal version of the Price Book will be updated accordingly.

Also, all anodized finishes and the following paint finishes are now approved and no longer need special handling:

Colonial White – **NP**

Colonial Red – **RP**

Burnt Sun – **7P**

Black – **3P**

Light Seawolf Beige – **CP**

Boysenberry – **9P**

Military Blue – **DP**

Dark Ivy – **TP**

Dove Gray – **VP**

Quaker Bronze – **6P**

Thank you for your valued business and continued support.
