TUBELITE®

DEPENDABLE

LEADERS IN ECO-EFFICIENT STOREFRONT,
CURTAINWALL AND ENTRANCE SYSTEMS

Date: 12/3/2020

Engineering Bulletin: **ECR00543**

Effective Date: 10/15/2020

Released By: Brenda Ong

Systems Affected: **E/T/TU24650**

Subject: **New PVC Snap-In Filler for 6 1/2" Systems**

The **P4554** PVC filler has been replaced by **P2473** for better fit and function.

P2473 is used on E/T/TU24650 and the return leg has been moved to provide better engagement with the adjoining aluminum profile.

New orders starting today should specify P2473

The following literature has been updated and is available online:
