Engineering Bulletin: **ECR00251**

Communication Date: **3/12/2020**

Effective Date: **5/24/2019**

Released By: **Ragsdale, Brian**

Systems Affected: **900RW**

Subject: **New Outside Glazed Horizontal
and Face Cover for 900RW**

The current face cap (E9475) and outside glazed horizontals (E/T/TU9473 and E/T/TU9673) are being redesigned for better engagement of the face cover onto the horizontal. The new face cap is E9487; new horizontals are E/T/TU9485 and E/T/TU9685. All are non-stocked items. See details below for current and new designs.

The following parts will also be made obsolete: T9473, TU9473, T9673, TU9673, E9475.
